

CPTA (Cambodia Piano Teachers Association) was formed in October 2013 by six active piano teachers and other musicians in Phnom Penh. The teachers agreed to promote the idea of beautiful cooperation among musicians (esp. piano teachers) and music schools. The purpose of CPTA is to encourage piano students with various goals and experiences and to support the professionalism of piano teachers in Cambodia. In order to accomplish these purposes CPTA holds annual piano competition and concert, level tests, certificate exams, invitation concerts, and other valuable events such as seminars and master classes.
